

MIND Project Annual Meeting 2016 and Project Executive Committee Meeting Granada, Spain, May 2nd to 4th, 2016

The Mind project would hereby like to invite you and your colleagues to the first **MIND Project Annual Meeting** and **Project Executive Committee** meeting (PEC) which are scheduled to take place in **Granada on the 2nd to 4th of May** at the **University of Granada**. The Workshop is divided into three separate activities.

Travel arrangements

The complete MIND 2016 Workshop will be hosted by the University of Granada. Detailed maps will be distributed together with the final agenda to all participants.

Travel

The Granada Airport is small and is located 15 Km from the city centre. A shuttle bus is traveling from the airport to the city centre. Taxis rates are about 25 euros. Another possibility is to travel to Malaga and from Malaga to take a bus to Granada (120 Km, 1h45min).

For more information about the workshop and meeting please contact:

mind15@skb.se

or visit our webpage

www.mind15.eu

Hotel Booking

Each participant is responsible for arranging their travel arrangements and hotel bookings. We recommend that you book your tickets and hotel rooms as soon as possible as the first week of May is very busy in Granada due to a yearly festival. Recommended hotels located close to the meeting venue include:

<http://www.hotelescenter.es/hotel-granada-center/>

(about 80 euros per day including breakfast- Located in front of the Meeting venue)

<http://www.granhotellunadegrana.com/>

(about 76 euros per day including breakfast, 200 m away from the meeting venue)

The tentative agenda follows on the next page.

This project has received funding from the Euratom research and training programme 2014 - 2018 under grant agreement No. 661880

The Workshop is divided into three separate activities.

1. MIND-project pre-meeting workshop

The MIND-project will on May 2nd host an open pre-meeting workshop at the University of Granada focused on two of our key subjects:

09.00 - 12.30 Molecular protocols, metagenomics and bio-informatic pipelines for clays and groundwater.

14.00 - 17.30 Research design working with buffers and back-fill - incubation systems, densities and swelling properties, detection of microbial activity and diversity

The workshop will be organized by MICANS and the MIND-project.

2. MIND - Project Annual Meeting

The MIND meeting will be hosted from the evening of May 2nd when we start with an optional icebreaker and registration at the university of Granada. The actual Project Annual Meeting will start on the morning of May 3rd and continue until lunch-time on May 4th.

Evaluating and Sharing the Knowledge (incl. coffee breaks)

17:00 Poster session with snacks (until 19:00)

20:00 Conference dinner

May 4th

09:00 Theme session III:

Improving the safety case knowledge base of HLW (incl. coffee brakes and continued poster session)

12:40 Summary and Closing of meeting

3. MIND - Project Executive Committee meeting (14:00-16:00)

Workshop objectives

This workshop aims at providing a forum for discussion of scientific and technical project results, preparing for periodical reporting and planning on future project program. The project workshops contribute to integration within the project and communication with a broader interested community

This project has received funding from the Euratom research and training programme 2014 - 2018 under grant agreement No. 661880
